WHY JOHNSTON'S COOKIES?

In addition to using only the finest ingredients, Johnston's cookies are bulk packed, not clustered together like other brands. This reduces set up time (labor \$\$'s) when panning cookies. It also leaves you with fewer misshapen cookies.

JOHNSTON'S

OTHER BRANDS

Bulk packing also means no time wasted peeling cookies off those messy papers. Less garbage for you and our landfills!!

***OUR COOKIES ARE NON TRANS FAT!**
